### Grievance Procedure Section 1557 of the Affordable Care Act

EHC has adopted an internal grievance procedure for all facilities and clinics providing for prompt and equitable resolution of complaints alleging any action prohibited by the Affordable Care Act Section 1557. Any person who believes someone has been subjected to discrimination on the basis of race, color, national origin, sex, gender identity, age or disability may file a grievance. It is against the law for EHC to retaliate against anyone who files a grievance or cooperates in the investigation of a grievance.

**Procedure:**

Grievances must be submitted to the Patient Advocate for the facility where the issue occurred within 30 days of the date the person filing the grievance becomes aware of the alleged discriminatory action. The Patient Advocate shall contact the Director of 1557 Compliance. The Director may delegate investigation duties to assist with the investigation as needed to appropriate individuals within the facility, including the Patient Advocate.

A grievance must be in writing, containing the name and address of the person filing it. The grievance must state in as much detail as possible the problem or action alleged to be discriminatory and the remedy or relief sought.

The Director of Section 1557 Compliance, Patient Advocate or other appropriate person shall conduct an investigation of the complaint. This investigation may be informal, but it must be thorough, affording all interested persons an opportunity to submit evidence relevant to the complaint. Files and records related to such grievance will be maintained. A written decision on the grievance will be completed no later than 30 business days after its filing. The person filing the grievance may appeal the decision within 15 days of receiving the Director's decision to the Chief Compliance Officer by writing to the Emory Healthcare Compliance Office, 101 W. Ponce de Leon Avenue, Suite 242, Decatur, Georgia 30030.

Appropriate arrangements will be made to ensure that disabled persons are provided other accommodations, if needed, to participate in this grievance process. Such arrangements may include, but are not limited to, providing interpreters for the deaf, providing appropriate material for the blind, or assuring a barrier-free location for the proceedings.

The availability of the Emory Healthcare Grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U.S. Department of Health and Human Services, Office for Civil Rights. A person can file a grievance of discrimination electronically through the Office for Civil Rights Complaint Portal, which is available at: <https://ocrportal.hhs.gov/ocr/smartscreen/main.jsf> or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW, Room 509F, HHH Building, Washington, DC 20201. Complaint forms are available at: <http://www.hhs.gov/ocr/office/file/index.html>. Such complaints must be filed within 180 days of the date of the alleged discrimination.
